Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

1. **Continuation of Box 3:**

2. It is noted that applicant has now incorporated subject matter of claim 2 in claim 1, thereby changing the scope of claim 1 (i.e. claim 1 is new claim 2). Further, claim 6 did not depend from claim 2, and the present amendment changes the scope of claim 6 (i.e. claim 6 now depends from new claim 1). Similar is true for claims 8-10 and 14-15. Therefore, the present amendment requires at least further consideration and it is not entered.

3. **Continuation of Box 11:**

4. Regarding applicant's response, the response is not found persuasive because it relies on an amendment that is not entered into consideration.

It is noted that if the amendment was entered into consideration, the 35 USC Section 102(b) rejections based on Wallner (US 3,146,882) would have been withdrawn.
